

The image features a central yellow rectangular box with the text "Anticipation Guide" in a dark blue, serif font. This box is set against a light beige background that has a large, faint, light-yellow oval shape behind it. The entire composition is framed by decorative floral and leaf elements. On the left side, there are green leaves, orange flowers with purple centers, and a branch with yellow-orange leaves. On the right side, there are similar elements, including a branch with blue flowers and green leaves. The overall style is clean and modern with a touch of rustic charm.

Anticipation Guide Assignment

Standards/ Objective

9-10SL1c: Pose and respond to questions that relate the discussion to broader themes or ideas; actively incorporate others into the discussions; and clarify, verify, or challenge ideas and conclusions.

9-10SL1d: Respond thoughtfully to diverse perspectives, summarize points of agreement and disagreement, and, when warranted, qualify or justify personal views and understanding and make new connections in light of the evidence and reasoning presented.

Students will be able to determine their personal stance on a statement and engage in a class discussion while listening to their peers' perspectives.

Assignment Details

1. Before beginning to read *The Hate U Give* by Angie Thomas, students will fill out an anticipation guide, agreeing or disagreeing with statements related to the text.
2. After answering, the teacher will review the guide and students will share answers with the class by moving to the agree or disagree signs posted in the classroom.
3. Students will be given the opportunity to share their reasoning behind their answers.

Anticipation Guide Assignment

Strengths Analysis Weaknesses

- This activity build empathy as students are reflecting on their own beliefs and potential biases before reading a complex text.
 - These statements can be used as discussion topics later on in the unit.
 - Students are introduced to various perspectives from their peers
1. Students may not feel comfortable sharing their answers with the class.
 2. Students may find other perspectives offensive.

Remedies to the Weaknesses

1. For student comfortability when sharing answers, creating an accepting classroom culture is essential. Daily discussions with “no wrong answers” help students feel more confident when sharing their thoughts.
2. Preface the discussions by setting ground rules for discussions and to be respectful to others’ opinions and life experiences.
