To Whom It May Concern,

It is my absolute pleasure to write this letter of recommendation for Mrs. Katherine Keenan, who previously served as a colorguard staff member for our marching band program, the Pride of Rochester Marching Band while I served as director. Mrs. Keenan was an invaluable asset to our team, an outstanding instructor to our students, and an absolute joy to have on our staff.

During her time with us, she consistently demonstrated an excellent balance of strong instructional management and genuine kindness. The marching arts can be rigorous and demanding, particularly in an urban district, but she maintained a positive, encouraging environment where our students felt safe to take risks, learn from mistakes, and ultimately thrive. She held the kids to high standards while ensuring they felt deeply supported every step of the way.

Beyond her excellent teaching abilities, her professionalism and reliability were outstanding. She worked seamlessly with our Caption Head and instructional staff, always keeping the overarching vision of the show in mind. Furthermore, she was incredibly proactive with her communication, always punctual, and managed the chaotic logistics of travel and long performance days with absolute grace when traveling with us on performance trips.

On a personal note, she was simply delightful to spend time with. The grueling hours of band camp and long bus rides can easily wear on a staff, but her positive energy, quick wit, and camaraderie made the season better for everyone around her. To put it quite simply, we still miss her presence on our field and among our team.

I have no doubt that Mrs. Keenan will bring the same dedication, skill, and wonderful attitude to your district that she brought to ours. Please feel free to contact me if you would like to discuss her qualifications further.

Sincerely,

Becky Fox
Executive Director of Arts
Rochester City School District
