To Whom It May Concern,

I am pleased to write this letter of recommendation for Katherine Keenan as she pursues a teaching position. During her student teaching experience in my classroom, I had the opportunity to work closely with her and witness firsthand the dedication, enthusiasm, and professionalism she brings to education.

From the very beginning, Katherine demonstrated a genuine passion for teaching and a sincere commitment to helping students succeed. She quickly built positive relationships with students by creating a classroom atmosphere where students felt respected, supported, and encouraged to participate. Her ability to connect with students and make learning meaningful was one of her greatest strengths.

As a student teacher, Katherine consistently came prepared, eager to learn, and willing to take on new challenges. She planned thoughtful lessons, adapted instruction to meet the needs of different learners, and actively sought feedback to improve her practice. She was always willing to reflect on each experience and use that reflection to grow as an educator.

Beyond her instructional abilities, Katherine was a dependable and valued member of our school community. She worked well with colleagues, communicated effectively with students and staff, and approached each day with a positive attitude. Whether assisting with classroom activities, collaborating on lessons, or supporting individual students, she consistently demonstrated professionalism and a strong work ethic.

I am confident that Katherine will be a valuable addition to any school community. She possesses the knowledge, work ethic, and interpersonal skills necessary to be an effective and impactful educator. I highly recommend her for a teaching position and believe she has a bright future in the field of education.

Sincerely,

Alana Penna
